### PROHIBITION RALLY FRIDAY

#### HARDIN URGES ON CITIZENS A FULL VOTE

E. Gaston Foote to Be  
Speaker at Friday  
Rally

OTHERS TO TALK  
Campaign to Bring Out  
All Dry Voters for  
Saturday

Prohibition forces of Randall county will meet on the Court House lawn Friday night at 8:00 o'clock in a final rally for the election which will be held Saturday. Every voter of Randall county is invited to come to the gathering, and hear the issues of the campaign discussed.

Rev. E. Gaston Foote of Amarillo will make the principal talk.

W. H. Hardin is chairman of the Prohibition Forces of Randall county and has been very active this week urging that those who are eligible shall come to the meeting, Friday night, and shall go to the polls on Saturday to vote for the cause of prohibition.

Mr. Hardin points out the fact that only 60% of the voters in Randall county have paid their poll tax for 1933, and are therefore eligible to cast a vote in the election Saturday. He urges that every dry voter go to the polls without fail, and vote against legalized beer in Randall county and against the repeal of the 18th amendment.

At the meeting Friday night, statements regarding the campaign in Randall county will be made by Mayor C. R. Burrow, Senator J. W. Reid, Clyde W. Warwick, and others.

The meeting will be held out of doors in order that people may easily attend the gathering. However, if the weather should be inclement the gathering will be held in the district court room.

#### Man and Wife Are Caught in Liquor Raid Monday p. m.

Mr. and Mrs. V. L. Cannon, 3500 Harrison street, in the north part of Randall county, were arrested Monday afternoon in a liquor raid by Sheriff Bob Barnett and his deputies. The grand jury was summoned immediately to meet Tuesday morning, indictments were returned against the couple, and they are held under \$2,500 bond each.

In the raid, three cases of beer were taken together with 8 cases of empty bottles, pretzels and beer mugs.

**FINE FOR DRUNKENNESS**  
Joe Sisk of Amarillo paid a fine of \$14 for drunkenness at the Palo Duro Park Sunday. Deputy Sheriff Jim Rose made the arrest.

County Agent W. H. Upchurch states that a series of meetings

### Election Comes on Saturday

#### THREE BALLOTS READY FOR THE SAT'DAY VOTE

Election Returns to Come  
to the Canyon News  
Office

#### INTEREST IN BEER

#### Four Amendments to Be Presented to Voters of State

Randall county voters will go to the polls Saturday in a special election to pass upon several important measures.

Three ballots will be handed each voter, all containing important issues to be decided by the voters.

One ballot is on legalizing the sale of 3.2% beer in Randall county. This election was called last week upon petition of about 300 Randall county citizens, who wished to pass upon this question in order to save the expense of another election. This question is perhaps the most hotly discussed of any of the proposals which are being offered to the voters in this special election.

The second ballot will contain the names of wet and dry delegates and alternates to the convention which will vote upon the repeal of the 18th amendment. The voter will mark only the names of the delegates and alternates on this ticket. The first column of names are the wets who favor the repeal of the 18th amendment. The second column of names are the dries who favor the retention of the 18th amendment.

The third ballot contains three constitutional amendments which have been discussed a number of times in the News.

The three ballots are printed on another page of this issue. The News will compile the Randall county election returns Saturday night for the Texas Election Bureau, and will receive returns from the state until 11 o'clock. A bulletin board in the west window of the News office will show the returns.

All election judges have been requested to telephone returns to the News as soon as the vote in their boxes are counted. The following judges will act in the election Saturday.

- No. 1—A. M. Smith.
  - No. 2—Louis Henders.
  - No. 3—D. S. Hill.
  - No. 4—E. N. Zachery.
  - No. 5—James E. Park.
  - No. 6—John Haines.
  - No. 7—Geo. E. Mason.
  - No. 8—W. P. Jansen.
  - No. 9—Joe Kimble.
  - No. 13—W. G. Rose.
- All voters in precinct No. 1 will vote at the court house in this election.

### Wheat Plan Being Discussed by Agents

#### Upchurch to Hold Series of Meetings for the Farmers

will be started in Randall County as soon as he returns from the Plainview meeting. These meetings will be preliminary to the organization of the county wheat control association.

The county organization will be composed of all wheat growers who co-operate with the Government. The growers in each of the nine communities will elect a local committee of three men. One of these is selected to serve on the county board of directors. The county board in turn will select a permanent allotment committee. This county board of directors will have

### Canyon Schools to Open on Sept. 4th

Supt. Irby Carruth in  
Statement Regarding  
School Work

The Canyon Public Schools will open for the 1933-34 session on Monday, September 4. Enrollment will begin Friday, September 1, at 1:30 p. m. and continue through Saturday morning. The freshman and sophomore classes will register Friday afternoon and the seniors and juniors Saturday morning. The entire faculty will meet for a series of meetings Friday morning in the high school building.

Despite the economic crisis the school authorities are opening the schools for the present session with the intent of having one of the best schools in the history of the town. They have resolved that there can be no moratorium on learning and that the present generation is entitled to as good an education as it is possible to provide and hence, send the clarion call to all good citizens who are interested in children to see that the school is open for nine regular months.

The school has a well balanced and an extraordinarily well trained faculty. Each teacher is especially trained for his or her particular position and is qualified to give the best of instruction. The local school has been complimented by the State Department for keeping a stable and well prepared faculty. Practically the same faculty that served last year will be back at their posts again this term. New members that will be serving their first year in the local school are Gwendolyn Black, third grade, Milton Sanders, history, and Irene Angel, speech.

Miss Angel, who replaces M. S. Cleatice Crump, resigned, in the speech department, comes with a very enviable record from William Woods College for Girls, Fulton, Missouri. Miss Angel has also several years of successful teaching in the Dalhart, and Lockney schools. She is a graduate of the Emerson School of Speech of Boston and the West Texas State Teachers College. All pupils wanting to take speech work for the coming year should call Miss Angel or see her at the high school building on Friday and Saturday of registration week.

Mrs. Lee Foster will again have

### Mrs. L. G. Allen Died Sunday, With Funeral on Tuesday

Mrs. L. G. Allen died Sunday at 1:00 o'clock following an illness of several months. The funeral services were held Tuesday afternoon at 3:30 o'clock at the Methodist church, conducted by Rev. C. W. Foote.

Active pall bearers were J. W. Reid, T. B. McCarter, L. F. Sheffy, C. A. Murray, D. A. Shirley and Ples Harper. Mrs. Nora May Harper Allen was born in Delta county, Texas, June 19, 1877, and had reached the age of 56 years, 2 months and 1 day at the time of her death. The family moved to Canyon in 1910 when Mr. Allen was selected a member of the original faculty of the college. Mrs. Allen has always taken a most active part in the affairs of the College, and the community. She was active in Sunday School work and church affairs of the Baptist church until forced to discontinue these activities on account of bad health.

Surviving the deceased are: the husband, L. G. Allen, two sons, Easton Allen of Las Vegas, N. M.; Harper Allen of San Leandro, Calif.; and one daughter, Miss Hazel Allen of San Leandro, Calif.; two sisters, Mrs. Florence Street of Austin, and Mrs. J. C. Billingsley of Fort Smith, Arkansas; a brother, Anderson L. Harper of Sanborn, North Dakota.

Interment was held at Dreamland Cemetery under the direction of the Griggs-Thompson Funeral Home.

### 1.40 Inches Rain Falls in Canyon Since Thursday

Canyon has received 1.40 inches of rain since last Thursday, with the heaviest downpour last night. On Thursday night a shower of .05 fell; Friday added .12 of an inch; on Tuesday there was .33, and last night .90, making 1.40 for the week.

The moisture this week makes a total of 2.76 for August, and 8.50 inches for 1933.

### COACH BAGGETT ARRIVES

COACH AL BAGGETT

Coach Al Baggett arrives in Canyon to take over the duties as Head of the Physical Education department of the West Texas State Teachers College. He has been spending the summer at Columbia University, New York, working on his master's degree. The Buffalo football training camp will open within a short while, and Coach Baggett is here making preparations to care for the men when they arrive. He has been a most successful coach, coming to W. T. from the Amarillo Junior College where he served for three years.

### Work on Palo Duro To Continue Year

#### President Issues Order Friday Continuing C. C. C. Camps

WASHINGTON, Aug. 19.—President Roosevelt decided Friday to maintain the civilian conservation corps at its full strength of 314,000 for another six months.

However he will send a personal message to the men now enrolled asking them to try to find a job to make way for other fellows out of work to take their places. If any men, after an honest effort to find a new job, are unable to do so, they will be allowed to reenroll.

About 450 of the 1,400 camps will be moved for the winter from the deep snow areas to places where work can be carried on throughout this season.

Officers at the Palo Duro State Park were greatly interested in the announcement of President Roosevelt. Preparations were being made to spend the winter in work at the local project, and now that definite announcement has been made that the work will be continued, plans will be carried out for the establishment of winter quarters without further delay.

Requisition has been made for wooden barracks for the winter, but so far nothing definite has been received.

It has been rumored for some time that more men would be sent here during the winter months. The Palo Duro has been pronounced as one of the largest projects that the government is undertaking, and one that promises the most for future development.

#### SCHOOL SUPERINTENDENT NOT OPPOSED TO BONDS

Various school authorities have announced in opposition to the \$20,000,000 bond issue fearing that the permanent school fund would be called upon to buy the issue.

A telegram was received Tuesday by A. M. Smith stating that State Supt. L. A. Woods had endorsed the bond issue, and that the school fund would not be endangered.

### W. T. Will Close Session at Noon; Cline is Speaker

Walter Cline, president of the West Texas Chamber of Commerce, spoke this morning at the close of the summer session of W. T.

Degrees were granted to the graduating class for the summer session by President J. A. Hill.

The summer session has been most successful, states Dr. Hill, with an attendance far better than was expected, and better in percentage than most of the colleges of the state.

Faculty members are leaving this week on short vacation trips, or will devote their time in preparation for the opening of the fall session.

#### RHEA ROBBINS' FATHER DIES

### BUFFALO PARK TUESDAY NITE PLAY GROUND

Rotary Club Sponsors a  
Night of Fun for  
Citizens

FREE TO ALL

All Kinds of Games and  
Contests Will Be  
Held

A play night for all people of Canyon and Randall county will be held next Tuesday night at 8:00 o'clock at the Buffalo Stadium, and will continue until 9:30 o'clock.

All citizens of Randall county are invited and urged to be present, and to participate in the events.

Everything is absolutely free; there will be no charge to get into the grounds; no charge for the games; there will be nothing to sell; "leave your pocketbooks at home," stated D. A. Shirley, chairman of the publicity.

The Rotary Club is sponsoring the play night, and will direct the program of entertainment. Dr. Harry Brown will be chief announcer and ballyhooser extraordinary for the evening.

Dr. Sylvester Ingham will have charge of the Kaffir Korn band and other musical events for the evening.

Bill Bryant will climb the poles to turn on the flood lights of Buffalo Field, or be forced to provide enough tallow candles for the occasion.

J. H. (Slim) Cox will be the master mind of the Rotary soft baseball team, and will attempt to outwit Hud Prichard, who will be the John McGraw of a team from the city.

Trav Shaw will supervise bicycle races for men, boys and girls. Levi Cole will have the boy scouts out in force, and the boys will put on interesting drills and contests.

Albert Terry will have charge of the races; fat men's races; lean men's races; potato races; wheel barrow races; peanut races; and other races, if the racers have not played out.

Bill Smith and Jeff Fowler will put on a black face stunt. (Unless the C. C. C. officers pick them up as some of their regulars.)

Games which were popular with our dads and grand dads, such as: Wolf over the river; stink base; and drop the handkerchief, will be featured under the direction of Joe Hill, Mrs. Travis Shaw and others.

Bring the children 6 to 10 years of age, and Miss Ruth Lowes will direct their play.

The young people of 10 to 15 years will be directed in play by the Boy Scouts.

The program continues until 9:30. Those who are disabled and not physically fit to participate in the games, are invited to come and sit in the grandstand.

All who are under 90 years and still claim they are young are invited to get right into the games and enjoy the play night.

For one night, at least, there ain't gin' to be any ol' depression hangin' aroun' the people of Canyon and Randall county.

## THE BEER ELECTION

Whether or not beer shall be sold in Randall county in the open saloon is the most important issue before the voters in the election which will be held Saturday.

Thirty-three years ago the saloon was voted out of Randall county because of the degrading influence it exerted. Many citizens in Randall county recall those days.

The liquor crowd is attempting to deceive the voters of today who do not remember the saloon and its attending evils. The liquor crowd say that liquor will be controlled, yet they are offering no plan for its control. The open saloon is the only thing which they promise, and which they assure us will be the result if beer is legalized, and returned to the county.

It is a well known fact that the College was located in Canyon because there were no saloons here. The committee making the location came down to a choice between two towns; one with saloons, and Canyon, without saloons. Canyon won because of its clean moral condition, free from the terrible influences that have always surrounded the saloon.

The News feels that to return saloons to Randall county would undo most of the good which has been accomplished since the College was located here.

Surely no one with any interest in the welfare of the youth of West Texas will consent for a moment to the return of the saloon, and all of its evil associates, and at the same time expect people to continue to look upon Canyon as a clean moral town and to continue sending their children here for an education.

There are many in Randall county perhaps who have no interest in the welfare of the College and will vote for legalized liquor. There are some who are deluded into thinking that perhaps the saloon was not so bad as it is pictured by those who knew the saloon, and knew the influences which surrounded the saloon. There may be others who think that they should follow the President in his demand for the return of liquor. There may be others who think that liquor will bring in a little revenue and therefore help business. There are others who will vote any way, just so it is a change from existing conditions.

Before you vote for a return of the saloon, ask those who have seen it. Ask those who were accustomed to see drunken men on the streets of the saloon town, as they sprawled in front of the legalized institution which was dealing out deadly poison. Ask them how many drunken men they see today as compared with the saloon days. Ask them how many destitute women and children were in the saloon towns even in days of prosperity—all of them made destitute by the spending of the family income by the husbands and fathers for booze which should have gone for bread and clothing.

While President Roosevelt is making a wonderful leader, he is capable of mistakes, like any other human. His stand on liquor is a great mistake. The people are not called upon to follow a leader when he makes a mistake.

The plea for a return of liquor for revenue purposes is a greatly mistaken idea. Exaggerated figures are being published as to what revenues liquor will bring in. The business man had as well understand that if money in his community is spent for liquor, then every legitimate business line is going to suffer. Liquor has wrecked more businesses and more business men than any other agency. There is no reason to expect that any good may come out of the liquor.

But the argument is made that liquor is not an evil, and that 3.2% beer is harmless. If so, then why does the liquor crowd advocate that it shall not be sold to minors; why shall it not be sold within 300 feet of a church or school; why shall it not be sold in the state capitol; why shall the saloons be prohibited staying open all night, and why shall it be prohibited having shades over the windows? If 3.2% beer is not intoxicating, why it that the brewers are not making it full strength until they find that two-thirds of the states are in favor of liquor? If dry territory is to be protected, as the wets advocated in the beginning of this fight, why do they continue to issue permits in dry territory? If the wets have any plan of controlling liquor, why

have they not presented the plan, instead of continuing to try to fool the people? All the plan they have is the open saloon, with all of its evils. They know this to be the truth; so why do they not admit it?

To those who are willing to vote for liquor on the grounds of any thing for a change, why change to something worse? The saloon would never have been voted out if there was any merit to the institution. If the saloon's products were anything good, the people would never have discarded it. But the saloon produces nothing but evil, therefore, why bring something worse than we now have? Certainly no one will say that the saloon will bring back anything good. If the change will be a curse to the people of Randall county, then why vote for a change?

The voter of Randall county who will really consider the welfare of his county will hardly be induced to vote for something that is known to be the worst evil that has ever confronted the human race.

## THE BOND ISSUE

The distressing need of Northwest Texas will probably be responsible for the people of this section forgetting their prejudice against bond issues and cause them to vote Saturday to give the legislature authority to issue \$20,000,000 in bonds for relief work. Had there not been this terrible drought in this section, the bonds would not have been favored. As conditions are, the voters find that they are practically forced to support something which they regard as very dangerous as a policy of government.

If this section votes in favor of the bond issue, it will be largely upon the recommendations of Senator Clint Small, who believes that the legislature will safe-guard the bond money so that there will be no graft in connection with the handling of the same. Senator Small opposed the bond issue until he was convinced that there was no other way of handling the situation. The Federal government refuses to give Texas more RFC money unless the state is willing to do its part. This puts it clearly up to the state to do something for itself.

A meeting was held in Dallas Saturday, called by Senator Small at which time sixteen members of the Senate, a majority of one, pledged themselves to pass such legislation that the bond money will be amply protected, and no graft enter the administration of the relief fund. This will quiet the minds of many voters who saw in the bond issue a chance for a royal clean-up on the part of those who handled the funds if given \$20,000,000 to disburse without every possible safeguard.

The News was inclined at first to oppose the bond issue, believing that each county could better afford to take care of its own relief work than to vote the bonds which might be squandered to a great extent.

But the drought came, and taxes in Randall county, and other Northwest Texas counties will not be paid for the coming year. The county could not carry the burden which will be imposed upon it.

With the assurance that the Senate has a clear majority which is determined to pass only such legislation as will make possible the honest handling of this money, we are convinced there is no other way out. This county must have help during the coming year to take care of the people who are destitute through no fault of their own. Every other county in Northwest Texas must do the same. True enough, the bond issue will call for some kind of a special tax to take care of about \$3,000,000 annually in interest and sinking fund. The Ferguson administration favors the sales tax. We are certain that if the general sales tax is not imposed, there will be luxury taxes of some kind or an increase in the gasoline tax, since the bonds cannot be a lien upon real estate.

We still admit that the policy of state bond issues is very, very bad, and should not be tolerated. But there might be something worse, and that something would be a starving people with no money available with which to feed them.

Three separate ballots will be handed the voters in the election Saturday. These ballots are printed in this issue of the News in order that the voters may study the proposals which will be made. If you will read the ballots and instructions in the News it will help in marking the ballot Saturday.

Marriage isn't really more successful in small towns. People just fight it out in secret to avoid being talked about.

Sarah Palfrey Seen as Next U. S. Tennis Champ; Little Has Good Chance in Amateur; New Threat Looms for Rosenbloom's Light-Heavy Crown

BY PHILIP MARTIN

SKIPPING hither and yon in the sports world:

Little Sarah Palfrey's performance in tennis this year gives weight to Helen Wills Moody's prediction sometime ago that the future feminine tennis champ would be that little Boston girl.

Sarah's defeat of Miss Helen Jacobs in the women's singles recently gave her high ranking, and her performance in Wightman Cup play against the cream of the British players resulted in one win and one loss in singles.

LAWSON LITTLE'S recent win of the Broadmoor invitational golf tournament at Colorado Springs seems to indicate that the big fellow from California will have to be reckoned with in the National Amateur at Cincinnati in September.

Little is one of the best match players in the game, and only super playing by Gus Moreland prevented him from winning the Trans-Mississippi this year.

OLD timers are watching with interest a race between two ball players to decide who'll be the last of the species. The race is being conducted between Red Faber of the White Sox and Burleigh Grimes, now with the Cards.

The two hurlers are the last of the spitball pitchers in the majors. Faber has been doing duty for a long time, and so has Grimes, for that matter. But Burleigh has been jumping here and there ever since the Cards won the world series in 1931. Right after that, Grimes was sent to the Cubs. Sickness and inactivity handicapped the big fellow, and he was unconditionally released by Chicago just recently.

Old Red Faber thought he had the race all sewed up after that, but the next day the Cards sent out a hurry-up call for Burleigh to aid in the last stages of their pennant drive.

So it looks as if the race will continue yet a while.

FROM Aug. 21 to 26 trapshooters of North America will shoot up a lot of ammunition in the Grand American Handicap Trapshooting tournament.

The meet will be held at Vandalia, and will carry cash purses totaling \$14,500. So dig up that old double barrel and join the trek.

Lawson Little, left, has demonstrated at Broadmoor and in the Trans-Mississippi that he's a big threat in the coming National Amateur golf tournament. Sarah Palfrey, right, looms as the next U. S. women's tennis champion.

So it looks as if the race will continue yet a while.

FROM Aug. 21 to 26 trapshooters of North America will shoot up a lot of ammunition in the Grand American Handicap Trapshooting tournament.

## Wayside Items

Rev. J. R. Plant gave us a good sermon last Sunday instead of the fourth, his regular day. He will be in a revival elsewhere at regular time.

Rev. G. R. Fort will assist Rev. Plant in a revival at Red Hill beginning next Sunday. Bro. Fort is well and favorably known in these parts by the "old-timers." A great many would like to attend, and hear him again.

Only light showers as yet. News has reached Wayside that Mrs. Ben Wileman died at Temple, Texas, Sunday afternoon where she had been treated for some time. Our sympathy goes out to the bereaved ones.

The Old Settlers' Reunion or Annual is being arranged for and will be in readiness for next Friday, August 25th. Every body is invited. Come, and let's have a good time.

Mr. Horn, our next principal for Wayside school, who with his family have been visiting in Rannels county, has returned.

G. W. Franklin has rented the south half of the Helms section. He will occupy the house built by Clarence Helms.

George Hancock, wife and Jerry from Pampa, who have spent the summer at Wayside, returned home last week end. Joyce Lane assisted them. We will miss them, especially Jerry Lane.

Mrs. Bertha Payne, W. I. Lane and wife visited the ex-soldiers camp in Palo Duro canyon last Sunday evening. They enjoyed the trip very much and were shown many courtesies by the men.

Quite a number of relatives are enjoying a reunion at the home of Mr. and Mrs. Wyatt Heisler, this week. R. E. Carter and wife, Mrs. Flora Stoddard and babe, Mrs. Clyde Carter and babe of Amarillo, Charlie Meyers, wife and June of Barnesdell, Okla., Mrs. Jose Mayo, Goodnight; Auntie Keys of Clarendon, Mr. Charlie Heysler, son, and possibly others.

Mrs. Jose Mayo has been visiting with Mrs. Serena Bryan and attending the revival at Fairview.

## Sunny Hill News

Mr. and Mrs. Roy Montgomery and Mrs. I. H. Hollabaugh visited relatives at Stratford during the week end.

A number of families from this community visited the Palo Duro camps Sunday afternoon.

Mr. and Mrs. J. A. McFarland spent last week visiting relatives at Elk City and Cordell, Okla. Their daughter, Mrs. Lawrence Miller of Keys, Okla., cared for their things.

Mr. and Mrs. Joe Russell were hosts to a large group of friends Saturday night. Bridge, "42" and out-door games were played. Refreshments of jello, cake and iced tea were served to about forty-five guests.

Mrs. Lee Russell and children, Mrs. J. E. Peters and Miss Mary Ann Peters spent Saturday in the Otto Lehnick home.

From all reports Sunny Hill community will be well represented at Wayside Friday.

WAKE UP YOUR  
LIVER BILE—  
WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Rement a substitute. 25c at drug stores. © 1931 C. M. Co.

## Have You Noticed?

How Early it is  
Getting Dark

Days are growing shorter. Long summer evenings will soon be gone for another year. The "stay at home" evenings which are to come will be much more pleasant for the whole family if the home is properly lighted.

School students will be wrestling with their home work in just a week or two. Good grades and healthy eyes may be promoted by the use of proper lighting.

Now is the time to examine your lighting fixtures. Do you have any empty sockets? Are your lamps of the proper size? Have you a study lamp on the children's study table?

# KEEP RANDALL COUNTY DRY

## VOTE AGAINST RETURN of the OPEN SALOON

### Protect Your Home

*Randall county has been dry for 33 years. It has been a law abiding county. It has freed itself of the degrading elements surrounding the saloon.*

*To bring back the saloon now will undo the work of 33 years of progress.*

*To bring back the saloon, invites into the county an element which we do not wish, and do not need.*

*The wets have promised no protection. All they promise is the return of the saloon, with all of its attending evils.*

*Protect your home against this impending evil by voting against the return of the saloon.*

### Protect Your Children

*Alcohol is a detriment to the human race. It has never been of benefit to any one. The children have been protected by a law requiring that no saloon may be established within 300 feet of a school or church. But if the saloon is established in Randall county your children will be exposed to its evils on every business corner.*

*They will not believe the lessons in their text books when they see men and women drinking at the bar of the saloon. The work of temperance for the past generation will be wiped out if the saloon is returned.*

*Protect your children by a vote against the return of the saloon, for one of these little ones is worth more than all the saloons on earth.*

### Protect The College

*The West Texas State Teachers College was located in Canyon because there were no saloons in Canyon. That was the last and deciding point which Canyon had above more than 80 towns seeking the location of the school.*

*The people of Texas had confidence in Canyon because it had wiped out an evil that would be a temptation to the boys and girls coming to the College.*

*The people of Northwest Texas will have their eyes centered on Canyon next Saturday when the vote is taken to determine whether or not Canyon will remain a dry, clean, moral town, or will be turned over to the saloon forces.*

*The people of Randall county cannot afford to jeopardize the investment which they have made in the college by voting for an evil which will drive students and good citizens away from Canyon.*

*If you have an investment in Randall county, protect that investment by voting Saturday AGAINST THE RETURN OF THE SALOON.*

### Saloon Brings No Revenue

*The wets are asking you to vote for the saloon, telling you it will bring prosperity. They have no figures to support this argument. They know that the liquor evil tears down, rather than builds up a community.*

*Be not deceived by the argument of the wets. Money that goes for liquor to damn the souls of men and women is taken out of other lines of legitimate business.*

*Economy demands that the saloon shall not be returned.*

### MRS. J. E. GREENFIELD HAS THURSDAY THIMBLE CLUB

Mrs. J. E. Greenfield was hostess to the Thursday Thimble Club August 17 at her home on Eighth Avenue. Vases of colorful garden flowers made the rooms attractive.

The 14th chapter of St. Matthew was studied, following which the Lord's prayer was repeated by the group in unison.

At the business meeting, suitable by-laws were adopted, as submitted by Mrs. Charles Stratton. Embroidery and fancy work occupied the afternoon hours, until, at the request of the group, Mrs. John Knight gave two readings, "The Bachelor's Mistake" and "Miss Minerva's Disappointment."

The following members answered roll call with a favorite verse: Mrs. Carl Vanarsdall, Mrs. Elmer Marshall, Mrs. W. M. Dickerson, Mrs. J. T. Marshall, Mrs. Charles Stratton, Mrs. John Knight, Mrs. Bueley, and the hostess, Mrs. Greenfield.

At the conclusion of the afternoon's meeting, Miss Ruth Greenfield, assisted by Miss Kate Thompson of Silverton, served ice cream and cake.

### MISS KATHRYN BRYANT MARRIES DIMMITT BOY

Miss Kathryn Bryant and Mr. Guy Alford were married Saturday evening in Clovis by Rev. J. F. Nix, pastor of the First Baptist Church of Clovis. They were accompanied on the trip by Miss Thelma Ruth McReynolds of Canyon and Mrs. Buster Cooper of Dimmitt.

Mrs. Alford is the daughter of Mr. and Mrs. A. H. Bryant of this city, the family having resided here five years. She graduated from Canyon High School in 1931, and attended W. T. S. T. C. the following year.

The groom is the son of Mr. and Mrs. J. D. Alford of Dimmitt, Texas.

The couple went Sunday to their home at Dimmitt, where Mr. Alford is engaged in wheat farming.

### BLUEBONNETT CLUB IS ENTERTAINED BY MRS. COLE

Mrs. Levi Cole was hostess to the Blue Bonnet Needle Club at her home at 1102 Seventh Avenue last Thursday afternoon. Bouquets of zinnias and golden glow were arranged attractively in the rooms where the guests sewed and visited during the afternoon hours.

In the short business meeting which followed, Mrs. N. T. Dickerson was elected president, and Mrs. George Small treasurer, to succeed Mrs. Levi Cole and Mrs. W. E. Miller retiring officers. Mrs. J. L. Hefner was voted in as a new member.

Tasty refreshments were served. Those present were: Mrs. Glen Costley, Mrs. George Small, Mrs. W. E. Miller, Mrs. W. H. Upchurch, Mrs. T. W. Ziegler, Mrs. Cornelia Barnett of Amarillo, Mrs. D. P. Small of Winters, Mrs. E. H. Cleavinger of Los Angeles.

### CENTERVIEW H. D. CLUB MEETS FRIDAY, AUGUST 18

The Centerview Home Demonstration Club met Friday, August 18 at the home of Miss Alice Rogers. There were seven members and four visitors present. A report was given by the delegates to the A. & M. Short Course.

The next meeting will be September 1st, with Mrs. Barnard, Miss Bass will give a demonstration on "Floor Finishes." Plans for resuming the monthly socials will be made at this meeting.

### "42" PARTY AT BAILEY MCCORMICK HOME

Mr. and Mrs. Bailey McCormick entertained a group of their friends Saturday evening with a delightful "42" lawn party at their home north of the city. Miss Ina Stewart and E. L. Moon were high score winners and C. C. Stewart and Mrs. L. J. Fulton were low score winners. At a late hour, refreshments of ice cream and cake were served to Mr. and Mrs. M. H. Rockwall, Mr. and Mrs. L. J. Fulton, Mr. and Mrs. W. H. Upchurch, Mr. and Mrs. C. C. Stewart, Mr. and Mrs. B. M. Hill, Mr. and Mrs. John Moody, Mr. and Mrs. E. L. Moon, Miss Ina Stewart, Miss Ben Mullins, Frank Gruner, and the host and hostess.

### EDGETOWN H. D. CLUB AT MISS BEE HOLLAND'S

The Edgetown Home Demonstration Club met Friday afternoon, August 11, with Miss Bee Holland. Mrs. C. S. Sanford offered her resignation as president, and Mrs. W. L. Miller was elected to take her place.

The remainder of the afternoon was spent in making plans for the encampment to be held soon. A call meeting was set for Friday, August 18, at the home of Mrs. G. L. Bailey to complete these plans. All members except two were present.

### KAPPA OMICRON PHI MET IN AMARILLO

Members of Kappa Omicron Phi, honorary Home Economics organization were entertained by Mrs. Mary Kate McDonald and Mrs. Georgia Holtzclaw Thursday evening at the lovely home of the former in Amarillo.

A lawn supper, with an unusual menu, including chop suey, made the occasion a delightful one for Olean Pattison, Ruth Cooper, Fannie Sue Brasuel, Erma Campbell, Marie Park, Jean Day, Miss Marian Norrington, Miss Elizabeth Cox, and the hostesses.

### JOHNSON H. D. CLUB MEETS THURSDAY

The Johnson Home Demonstration Club met with Mrs. Lindsey Thursday, August 17, with only three members present. The next meeting will be with Mrs. Ed Harvey at the home of J. J. Bauer on Sept. 7, at 2:30. All members are requested to be present and visitors are welcome.

Mrs. J. H. Ebeling, Reporter.

### SHERIFF BARNETT CALLED ON MASTERSON CASE

Sheriff Bob Barnett was called to Amarillo Sunday to assist 50 officers in a search for supposed kidnappers who threatened R. B. Masterson, Jr., prominent rancher. Barnett was assigned to the Masterson car which made the drive from Amarillo to Clarendon, riding in the bottom of the coupe out of sight. He arrested a man along the railroad who was questioned in connection with the case.

### RFC WORKERS SENT TO SCHOOLS OF COUNTY

RFC workers have completed repainting and improving the grounds at the Sunny Hill school preparatory to the opening of the fall term of school.

Work was started at the Palo Duro school Tuesday.

Work on the Tierra Blanca crossing southwest of the city will be completed this week.

## Fischer Urged the Support of Bond Issue on Saturday

L. M. Fischer, Amarillo attorney, spoke at the band stand Monday evening, urging support of the \$20,000,000 bond issue to relieve unemployment and to care for charity during the coming winter.

Clyde W. Warwick introduced Mr. Fischer, and explained the three ballots which will be handed the voters Saturday. Mr. Fischer explained the necessity of the bond issue. \$500,000,000 has been appropriated by congress to relieve unemployment, but none of this money will go to states which do not provide money to match the federal gift. In Texas there are 1,250,000 people out of work, 80% of whom would work if they could find a job.

In Randall county there are 1,000 people depending upon RFC funds, while in Potter county there are 16,000. The counties cannot meet this great demand. Mr. Fischer urged that all voters approve the bond issue Saturday as the only method by which the situation may be met.

### MINTERN GETS SCHOLARSHIP

Louis Mintern of Salem, Oregon, highest point student in W. T. last year, has received a four year scholarship from the School of Mines of Colorado, and will start Sept. 1st on his engineering course.

Miss Pauline Brigham, aunt of young Mintern, will return with him from Salem to the School of Mines, and will arrive in Canyon Sept. 3 to remain until the opening of W. T.

### JAMES SHAW HERE

James Shaw of Dallas, head of the Home Owners Loan Bank of Texas, was here Tuesday for a short time, visiting with his brother, Travis Shaw. He conferred with representatives of the Bank while here.

Mr. Shaw was making a tour of the state inspecting the branches which have been established.

### ROY BARNHILL CAPTURED

Roy Barnhill was captured Saturday in Los Angeles. He was being held in the Potter county jail charged with theft at the Imperial Chevrolet Co. in December, but sawed his way out.

It is likely that Sheriff Bob Barnett will go after Barnhill, but hardly in time to try the case in this term of district court.

## Reporting to the Chief

Back from the World Economic Conference in London, where he presented President Roosevelt's ideas for economic recovery, Secretary of State Cordell Hull stopped off at the Roosevelt summer home in Hyde Park, N. Y., to confer with the nation's leader. Above he is shown with the president.

## Old Time Cow Punchers Will Meet Aug. 31st

John Arnot, president of the Old Time Cow Punchers Round-Up, was here Friday making arrangements for the 12th annual gathering on August 31st. The following announcement has been sent out by Mr. Arnot:

The twelfth Annual Old Time Cow Punchers Round-Up on the T. Anchor Range, will be held Thursday, August 31, at Wragge's Park, one mile north of Canyon on the Amarillo-Canyon Highway.

Every person who punched cattle or worked on a ranch on or before December 31, 1935, his wife and children and their wives or husbands or the widow of a deceased member are eligible to attend, but please leave the grandchildren at home.

On account of the uncertainty of knowing how many would attend an expensive barbecue, the management has decided to hold a "Basket Picnic" instead. We tried this out last year and it was voted a great success.

Every family is requested to bring a basket of "Grub" and a little extra to take care of the old bachelors.

We will furnish buns and coffee for everyone. If you have any tin cups bring them along.

This Association was organized for the purpose of the Old Time Cow Boys meeting Old Time Bud-

dies and "harking" back to the early days when they rode the range together.

The grounds will be open the night before and all who wish to come and camp may do so.

## Palo Duro Peeps

Mrs. Fred Rogge and children of Austin are spending a week in the Herman Kuhlman home.

Mrs. Henry Gerdson, Mrs. Gus Leseberg and Mrs. Henry Miller visited with Mrs. Fred Schuette Monday afternoon.

Miss Marie Kuhlman returned home from Texline where she spent a week with relatives.

Mrs. Fred Schuette, who has been ill the past two weeks, is recovering nicely.

Mr. and Mrs. Gus Leseberg Jr., moved to their farm, the former Deede place, last week.

Mr. and Mrs. Paul Fluegel visited with Mr. and Mrs. Fred Schuette last Sunday.

## COMPANY F RETURNS FROM ANNUAL CAMP

Company F returned Sunday morning from the annual encampment held at Camp Hulen, on the coast.

Captain W. E. Lockhart stated that the men of the company greatly enjoyed the trip, which gave the men excellent training.

Mr. and Mrs. Bryan McDonald and children of Odessa were in the city Thursday looking after business.

## Dr. R. Thomsen Talks About the Changing Times

Dr. R. Thomsen of Amarillo spoke interestingly Tuesday at the luncheon of the Rotary Club regarding changes which are taking place in the American life.

Travis Shaw, Jr., was a guest of the club.

The birthday of Tom Knighton was recognized.

Irby Carruth announced that the state school officials of Texas were not opposed to the twenty million dollar bond issue which is proposed for unemployed, as has been reported.

President Sylvester Ingham introduced Dr. Thomsen.

"The world is full of peculiar and strange things," stated the speaker. "We are faced with the necessity of making readjustments. It is time to re-examine a good many things in our lives."

"The service club must justify its existence by its works. If we are not saviors of society, we are parasites," stated the speaker.

Dr. Thomsen believes that the American nation is in danger, and pointed to the radical changes being made in other nations. The responsibility of this nation is not in Washington, but in the individual lives of the citizens. Ethical character is needed; people who think right, wish right, seek right, and live right. The individual who is not willing to abide by this standard has no claim for a place in society.

Dr. Thomsen pointed to the fact that the world is passing through a period as revolutionary as the reformation; as radical as the early Christian era. There is hubbub and confusion. The world needs sane thinking.

The man who does not live above the law is very, very low in stan-

dards. The law sets the very lowest standard; the good citizen lives above the demands of the law. The law is for the protection of the citizen; not for his standard. The world will profit by getting back to the good old policy of honesty.

Doug Shirley made an announcement regarding the Community Play Night which will be held next Tuesday night at Buffalo Park.

### HAS FINE FEED

Jeff Fowler brought to the News office Saturday some fine heads of kaffir from the C. C. Stallings place southeast of Canyon which were as good as any seen in normal years. Mr. Stallings has about 200 acres of good feed which will make splendid grain.

James H. Bush of Amarillo was in the city Monday on business.

## Be Trim and Casual in a Sweater Suit

TWO-PIECE OUTFITS THAT ARE EMINENTLY PRACTICAL, AND GIVE YOU THAT DEBONAIR FEELING, ARE IN VOGUE

BY HARRIET

EVERYBODY loves to wear a sweater.

There is something both casual and classic about sweaters and skirts. They are always trim and neat and have a good psychological effect on a woman who wears them. They seem to give you that devil-may-care feeling.

If you are a young thing, planning a late vacation, don't overlook the importance of a sweater suit in your wardrobe. And, if you are a gay co-ed, getting together a back-to-college wardrobe, remember that sweaters are about your best bets for campus and classes as well as for the fall football game.

Twin sweater suits have gone a step further than the ubiquitous one sweater worn over a blouse. They have a debonair appearance that one sweater lacks.

In the first place, they usually match. Secondly, you aren't always having to wash a blouse and third, they give youthful figures an even more youthful line.

Paris openings tell us that separate sweater and skirt and blouse and skirt outfits are the very latest fashion.

Girls in offices are beginning to find out that sweaters have a place in town as well as on a campus and in the country.

Gone are the days when the working girl entered the office in flowing chiffons or ethereal silks. She knows now that tailored things, bordering on the sports type, get her farther ahead in the long run. Besides being more comfortable for working at a desk, they breathe efficiency.

Accessories are all important with these sports things. For campus wear, soft felt modified fedoras are best. And college girls like riding hats (felt ones) with their sweaters and skirts.

Sweaters and skirts naturally call for low-heeled shoes. You don't have to wear heels that are entirely flat but at least select a sensible walking shoe.

Gay scarfs which contrast with

the colors of the skirt and sweater are a nice addition to any wardrobe. Pigskin gloves are ideal for football games. Wear suede ones in town.

A CHECKED skirt in gold and brown has a gold slipover the same tone as the skirt. A brown cardigan is worn over the gold slipover and the outfit is topped with a brown felt hat.

The skirt has inverted pleats on the sides. It's a tightly fitted one

which molds the figure, in keeping with the new mode.

Another sweater and skirt outfit (right) has a finely checked blue and gray skirt and twin sweaters of a darker shade of blue.

The slipover has short sleeves and may be worn either outside or tucked into the skirt. The cardigan is long-sleeved and flattering as can be.

The modified fedora is dark blue to match the sweaters. The gloves are stitched gray pigskin.

## Crop and Feed Loans Available For the Farmers

The Crop Production Loan Office of the Farm Credit Administration recently announced a continuation of these loans until further notice. In a meeting of the county agents and committeemen with Owen W. Sherrill, director of the Dallas office, in Amarillo Monday, the needs of the various counties were discussed and it was decided to continue the loans where needed. The feed loans are to assist farmers who have made no feed crops by loaning small amounts for feeding livestock.

The crop loans are for seeding wheat and are intended for farmers who are eligible for wheat acreage under the Government's wheat reduction plan or who need to plant small acreages for pasture. Information regarding both types of loans may be had at the County Agent's office.

Some misunderstanding seems to be prevalent in regard to farmers who borrowed from the Government for summer fallowing wheat land this year under a 30% acreage reduction agreement and now desire to take advantage of the wheat acreage reduction plan. These will not interfere with each other. A farmer who borrowed this spring will not be barred from receiving his full share of the reduction money this fall. This will be fully explained at the meetings to be held in the various communities starting the first week in September.

W. H. UPCHURCH,  
County Agent.

## Half Holiday Is Awarded Men For Progress at Park

By W. B. GRAUEL  
Palo Duro Canyon Veterans' Camp was in holiday array Wednesday afternoon, celebrating the reaching of the first objective in the building of a road into the canyon.

The first truck ever to reach the mesa of Palo Duro Canyon achieved that accomplishment shortly after the more than 400 men went to work on the project Tuesday morning.

There was intense cheering. It marked an era in the history of the canyon. It also meant that the entire camp would have Wednesday afternoon off, and a special supper.

As Maj. James A. Watson, district commander, and the officers of the three companies lent their official smiles, an enjoyable recreational program was held Wednesday.

The first feature was a tug-of-war. The heavy men of Co. 1828 tugged against the heavy men of 1829. When all the tugging was over, 1829 had tugged the hardest. The colored boys of 1824 out-tugged the 1828 colored tuggers.

But the baseball team of 1828, with Tomlinson pitching steady ball, carried 28's colors to victory over both 1829 and 1824. Scores were 7 to 5, and 5 to 4, favor 1828. Beckman played a star game at first base; Woods featured at short; Ellis caught a splendid game and Hill made a sensational throw to Bernard to check 1824's rally.

Co. 1829 and Co. 1824 played a 6 to 6 tie, giving 1828 twelve runs, 1829 eleven runs and 1824 ten runs in the round-robin.

Special entertainment was rendered Wednesday night, the entire program being enjoyed and appreciated by all participating.

## Topping Completed on Highway South to County Line

Topping of highway No. 9 south from Canyon to Happy was completed Saturday, and Coke and Braden moved to Dalhart where they have a similar job.

The topping of this highway ends Randall county's highway program under the \$250,000 bond issue voted several years ago.

Application has been made for aid on the highway east from Canyon to the Palo Duro State Park, but nothing definite has been heard from this project. It has been stated that Randall county will receive about \$30,000 out of the special 25 million dollar fund which has been allotted to Texas, but no plans have been received for the work here.

## General Cruickshank Highly Praises Work Palo Duro State Park

General William M. Cruickshank of Fort Smith made an inspection of the C. C. C. camps at the Palo Duro State Park Sunday. He is in command of the camps of this area. He was accompanied by Capt. G. D. Danforth, adjutant.

General Cruickshank highly praised conditions which he found at the four camps at the Palo Duro State Park and the Palisades.

## S. O. Miller Is Placed Over Palo Duro by F. A. Dale

F. A. Dale of Austin, engineer in charge of Texas Parks, was here Saturday making an inspection of the Palo Duro and Palisades parks, and announced changes which were immediately effective in the management of the work now in progress.

Sam O. Miller was placed in charge of the Palo Duro Park, superintending all of the construction now being made.

C. R. Byram, who has been at the Palo Duro, was placed in charge of work at the Palisades, taking the place of Col. Oscar Seward.

Mr. Miller will have as his assistants Ed M. Owens and Col. Seward. Mr. Owens has been at the Palo Duro since the C. C. C. camps were established.

Mr. Dale visited in Canyon with Judge S. B. Orton, G. B. Heath and Clyde Warwick while on his tour of inspection. He accepted an offer of road building machinery, which was made by the local citizens through T. E. Johnson and Mr. Warwick, with a view of facilitating road construction. A steam shovel, tractor and grader will soon be available for use on the road in the Palo Duro, and this will greatly speed up construction.

Mr. Dale was highly pleased with the progress being made, and believed that the Palo Duro would be one of the major projects attempted under the President's recovery program.

## LeRoy Landers Is City Tennis Champ for Canyon Players

The city tennis tournament which was started two weeks ago was completed Sunday with LeRoy Landers winning the singles against a field of 18 men. Landers defeated Winfield Fowler in the finals for the mens' championship.

Miss Theresa Robinson is city champion for women, having defeated Miss Josephine Dufiot for this honor.

Miss Robinson and Miss Dufiot had won the doubles for women; Landers and Miss Dufiot had won the mixed doubles; Landers and Clarence Wooten had won the men's doubles.

## Jowell Items

Word was received that Rev. Lindley will not preach to us Sunday, as he is holding a revival meeting and will be unable to be present here.

Mr. and Mrs. M. W. Dooley and children left Wednesday for Wyoming. They expect to be gone until about the middle of September.

Mr. and Mrs. A. D. Fewell and daughter, Gwendolyn, returned last week from Coryell county. Mr. Fewell's father, who has been in and near Gatesville with relatives for the past several weeks, returned with them.

Clarence Leavitt, Buron Fewell, O. M. Scott, Claude Fewell and W. Fewell made a business trip to Amarillo Saturday.

Mr. and Mrs. A. D. Fewell left Friday for Macadoo to visit Mr. Fewell's brother, M. A. Adams, who has had a very recent operation.

## Start Drive on Racketeers

Senator Royal S. Copeland of New York, chairman of the Senate Racket Committee, is shown above as he spoke before prominent eastern police executives and criminologists at the first meeting of the committee in New York City. Beside him is Assistant U. S. Attorney General Joseph B. Keenan, who is aiding Copeland in the drive against crime. Exile, whipping posts, firearm control, and an "American Scotland Yard" were some of the remedies for racketeering suggested.

## Senator Morris Sheppard Here For Few Minutes

Senator Morris Sheppard stopped in Canyon at 4:00 o'clock Tuesday afternoon for a few minutes, but owing to the approaching rain did not get to meet many citizens.

County Chairman A. M. Smith went to Happy to meet the Senator, but missed the car, so did not get to escort Senator Sheppard and his party to the city.

Senator Sheppard is on a tour of the state, speaking against the repeal of the 18th amendment, of which he is the author. He spoke in Amarillo Tuesday night.

Senator Sheppard predicts that the people of Texas will not vote in favor of repealing the 18th amendment.

## Fugitive Makes Good, Is Freed

Paul Maxim 25, above, who became general advertising manager for a large paint company during his six years as a fugitive from an Ohio reformatory honor camp was returned to the reformatory recently and has been pardoned by Governor George White of Ohio. As a youth of 19, Maxim was committed to the reformatory for stealing class pins worth \$100. After his escape, he changed his name to J. Paul Faraday, and started his story-book climb.

## C.C.C. CAMP NEWS

By W. B. GRAUEL

One of the most novel entertainments yet arranged for the Palo Duro Veterans' C. C. C. Camp is announced for next Tuesday night. Capt. J. W. Savage, recreation officer of Co. 1824, will be in charge and the attraction will be an Indian Tom-Tom Dance, to be impressively staged around camp fires on the prairie adjoining the camp.

A cordial invitation to attend is extended the members of each of the three companies and the general public. The program will start about 9 p. m. It is expected to prove an event of much interest; and those planning the dance anticipate that everyone will be pleased with the performance.

John Crawford, popular member of Co. 1824, has been assigned as recreational manager for his company, assisting Capt. Savage, recreation officer. Crawford put on his first program Tuesday night of this week and it was a huge success.

Miss Valree Briscoe, Queen of Co. 1824, will be greatly missed the next two weeks, she having gone on her vacation. Miss Briscoe has participated in several enjoyable programs in the company's recreation hall, her popularity culminating in her unanimous election as queen. She now resides at Brownfield and formerly lived in Oklahoma.

Co. 1828's queen, Miss Dorothy Gore of Canyon, and sweetheart, Miss Frances Marshall, of Palo Duro community, sponsored a musical entertainment in '28's recreational hall Tuesday night.

## MISS LOIS GOODRICH RECEIVES CAMP HONORS

According to information received here this week by friends, Miss Lois Goodrich has been made assistant director of the Life Girls' Camp in Georgetown, Connecticut, with which she has been associated as counselor the past three years.

In this capacity, Miss Goodrich will have complete charge of the schedules and program making for the camp, which takes care of three or four hundred of the city girls of New York each summer.

Miss Goodrich is an instructor in the English Department of the Canyon High School.

### PROPOSED AMENDMENT TO THE CONSTITUTION OF THE UNITED STATES

The Congress has proposed an amendment to the Constitution of the United States which reads as follows:

Section 1: The Eighteenth Article of Amendment to the Constitution of the United States is hereby repealed.

Sec. 2: The transportation or importation into any state, territory or possession of the United States for delivery or use therein of intoxicating liquors, in violation of the laws thereof, is hereby prohibited.

Sec. 3: This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by conventions in the several states, as provided in the Constitution, within seven years from the date of the submission hereof to the States by the Congress.

### INSTRUCTIONS TO THE VOTER

In the columns below are printed the names of persons duly nominated as delegates and alternates to the convention to be held in accordance with law for the purpose of ratifying or rejecting the above amendment. In the column headed "For Ratification of the Above Amendment" are printed the names of nominees for delegates and alternates nominated as in favor of ratification; in the column headed "Against Ratification of the Above Amendment" are printed the names of nominees for delegates and alternates nominated as opposed to ratification of the above amendment. Each voter is entitled to vote for any number of candidates whose names appear upon this ballot, not to exceed thirty-one (31) delegates and thirty-one (31) alternates. Each voter shall indicate his choice by drawing a line through or striking out all the names of such candidates other than the ones for whom he desires to cast his vote.

FOR the Ratification of the Above Amendment. AGAINST the Ratification of the Above Amendment.

### Savory Pot Roast

Chop 1/4 pound of salt pork into bits. Roll the pieces in a mixture made of 1 teaspoon of salt, 1/2 teaspoon of pepper, 1 tablespoon finely chopped onion, 1 tablespoon finely chopped parsley and 1 teaspoon dry mustard. With a sharp pointed knife cut gashes in a 5-pound rump roast of beef and insert the seasoned salt pork. Place in a bowl and roll the meat in 1/4 cup vinegar. Let stand 3 or 4 hours before cooking, turning the meat occasionally. In a Dutch oven cook until yellow 1 small chopped onion in 2 tablespoons of fat. Add the roast browning it well on all sides. Then add 4 medium size carrots, sliced; 2 turnips, quartered, and 4 cups of cooked tomatoes. Cover tightly and simmer for 3 hours on top of stove or in a moderate oven.

We can give you the selection of meat you prefer. Always reasonably priced.

We meet all advertised meat prices and in addition give you a selection not to be found elsewhere.

### THE MOTORISTS WHO TAKES CHANCES

You see them on streets and highways every day—motorists who take chances. You see them turning corners at high speeds. Or stealing another car's right of way. Or passing on hills and curves. Or driving on the wrong side of the road. Or cutting in and out of thick traffic. Or coming roaring into intersections and road junctions without looking to either side. Or operating at speeds which are

obviously higher than are safe under driving conditions of the moment. And every once in a while, you see such a motorist cause an accident. Perhaps there is little damage done. Or perhaps a life is lost and valuable property is needlessly destroyed.

The reckless motorist comprises ten per cent or less of the driving population. But he causes ninety per cent of the accidents. If the reckless drivers simply injured each other it wouldn't be particularly important to the rest of us. But they seldom do that—they maim and kill the careful, the competent, the prudent. And you never know who's going to be next.

This year about thirty thousand people are going to be killed because someone was careless, reckless, discourteous. Not one of a thousand of those deaths is really due to an unavoidable accident—an occurrence which is almost as rare as the dodo. They can all be prevented. And they will be when there is a concerted public drive against those who make places of carnage out of public highways.

The fellow who owns a "country place" and has a gardener and a landscape architect, is in most instances the grandson of a first-rate farmer.

The heiress may be homely, but if she waits for some young man to tell her so she will never find it out.

# 16 Senators Pledge Bond Protection

## Money Will Be Protected From all Forms Graft

Sixteen Texas Senators met in Dallas Saturday on call of Senator Clint Small, recommended the passage of the bond issue for relief, and pledged their co-operation to see that the bond money was properly protected if voted on August 26. The following is the statement given to the people of Texas by the Senators:

The undersigned Senators of Texas have made a careful survey of the conditions existing in our State and have reached the conclusion that it is advisable to adopt the resolution amending the constitution so as to authorize the issuance of bonds to provide funds with which to relieve unemployment, destitution, poverty and want throughout Texas. This conclusion seems necessary for the following reasons:

1. Community chests are wholly inadequate to meet the increasing demands for relief.
2. Cities, counties and municipalities find it impossible to provide adequate employment and relief funds.

3. The State under the existing constitution is powerless to appropriate money to care for the needs of the destitute.

4. The Federal Government thru its authorized agencies has stated with emphasis that further relief funds will be withheld from Texas after September unless Texas makes a substantial contribution to partially match Federal funds.

The constitution belongs to the people and only the people themselves can amend it.

If the bond issue fails, no money for relief purposes can be appropriated out of the state treasury and the legislature will be powerless to again submit this question to the people before 1935. If the people see fit to adopt the amendment, we as members of the Senate of Texas solemnly pledge:

1. To do all in our power to pass legislation to properly safeguard the expenditure of relief funds by competent and trustworthy agencies of government.
2. To restrict the expenditure of funds so far as possible to the payment for labor exerted and well planned projects that will be of lasting benefits to the State.
3. To the utmost limit of our skill and ability we pledge that no legislation will be enacted that will encourage a dole system in Texas.

4. Able bodied Texas citizens will be provided with useful employment. The rural sections of Texas need lateral roads; the cities and towns need street improvements; many other enterprises can assimilate a large amount of labor for beneficial purposes. Many state institutions are badly in need of repair and renovation, for which Texas labor will be employed if funds are provided.

5. These funds will by law be equally distributed over the State, and we pledge that every county in so far as in our power to provide will receive its just portion.

6. No single industry, or special group will be called upon to provide the funds necessary to retire the bonds, and no one form of taxation will be resorted to, but the taxes will be distributed evenly over the state, it being distinctly understood that no direct or adverse tax will or can be resorted to.

We would not attempt to tell any individual how he should vote on this important matter, but we make this statement solely for the purpose of giving the public the benefit of our interpretation of the issue and our conception of our duty in event the constitutional amendment is adopted.

Respectfully submitted,

## News in Canyon 25 Years Ago

(From the files of the Canyon City News, August 21, 1908.)

Joe Foster of this city last week consummated a deal whereby he transfers to W. H. Younger 33½ acres of land one mile from Canyon City at \$80 per acre. This tract of land has about 100 acres in alfalfa, about 190 more in cultivation, and is a good farm. Mr. Younger expects to make this county his home, and while he could purchase lands at the present values he decided to invest now in order that he may have advantage of the future increase of value and at the same time receive a good revenue on his investment.

### Ninth Annual Reunion

That our city is able to entertain in the proper way was properly demonstrated last week during the ninth annual Reunion of Stonewall Jackson Camp of United Confederate Veterans joined with the County Fair. At night the children of the city, who had been drilled by Miss Hitchcock and Mrs. Hibdon, assisted by others, rendered a program in the pavilion which, in the opinion of the reporter, was much more worth the price of an admission than any of the traveling performances that come to our town. Below we give the program.

Hargett vs. Roy Lindsey in his individual capacity and as survivor of the community estate of himself and his deceased wife, Almaren Lindsey, numbered 9059 on the docket of said court, wherein the plaintiff recovered a judgment against Roy Lindsey in his individual capacity and as survivor of the community estate of himself and his deceased wife, Almaren Lindsey, for the sum of Ten Thousand Four Hundred and Twenty-two and 90-100 Dollars (\$10,422.90) with interest from date at the rate of ten per cent per annum, and recovered a judgment against the defendant, Roy Lindsey, in his individual capacity and as survivor of the community estate of himself and his deceased wife, Almaren Lindsey, foreclosing a deed of trust lien upon the following described property, to-wit:

Group I: Lots Numbers Seven (7), Eight (8), Nine (9) and Ten (10) in Block Number Four (4); and Lots Numbers Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11) and Twelve (12) in Block Number Five (5); and Lots Numbers Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11) and Twelve (12) in Block Number Twelve (12); and Lots Numbers Five (5), Six (6), Seven (7) and Eight (8) in Block Number Thirteen (13); all of said lots and blocks being in and a part of the Roy Lindsey Addition to the city of Amarillo, Texas, and located in Randall County, Texas, as shown by the map and plat of said Addition of record in the Deed Records of Randall County, Texas, to which reference is here made;

as the same existed on the 6th day of April, 1927, and at all times thereafter; and on the following described property:

Group II: The West Half (W½) of Block Number Three (3) of the Roy Lindsey Addition to the city of Amarillo, Texas, lying and being situated in Randall County, Texas, and being Lots Numbers Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11) and Twelve (12) of said Block Number Three (3) of said Roy Lindsey Addition to the city of Amarillo, Texas, as shown by the map or plat of said Addition of record in the Deed Records of Randall County, Texas, to which reference is here made; as the same existed on the 25th day of June, 1929 and at all times thereafter; and on the following described property:

Group III: Lots Numbers Six (6) and Seven (7) in Block Number Eleven (11) and all of Block Number Fourteen (14) of the Roy Lindsey Addition to the town of Amarillo, Texas, said property lying and being in Randall County, Texas, as shown by the map or plat of said Addition of record in the Deed Records of Randall County, Texas, to which reference is here made; as the same existed on the 10th day of October, 1927 and at all times thereafter; I did on the 7th day of August, A. D. 1933, at 9:00 o'clock A. M., levy upon the above described tracts or parcels of land, situated in the County of Randall and State of Texas.

And on the 5th day of September, 1933, being the first Tuesday in said month, between the hours of 10:00 a. m. and 4:00 p. m. on said date, at the courthouse door of said County of Randall I will offer for sale and sell at public auction for cash the said property in three separate groups as set forth above.

Dated at Canyon, Texas, this 7th day of August, A. D. 1933.

R. N. BARNETT,  
Sheriff of Randall County, Texas.

## The Joy a Letter Gives

"For me, a line from my mother is more efficacious than all the homilies preached in Lent; and I find more incitement to virtue in merely looking at your handwriting than in a whole volume of ethics and moral discourses. Indeed there is no book in which I read with so much interest and profit as one of your letters."

## JIM MADE A GREAT SPEECH--

You should have heard him! We didn't think it was in him.

He had confidence and composure—the necessary basis of all good speeches.

Why had he confidence? That's easy. Simply because he had a new dining room suite.

There's no getting around it: good home furnishings create a better state of mind, promote happiness.

## Faculty Members Make Visit Among Prospective Studes

Thirteen members of the College faculty spent the week-end interviewing prospective students in counties of the territory immediately adjacent to Canyon. More than 150 young people and their parents were talked with and many definitely made up their minds to come to Canyon.

The visitors stated that the split-semester plan, and the provisions to pay fees for private lessons and board by the month were the items which interested both high school graduates and their parents. Many were surprised and delighted to learn that they could get excellent commercial courses in the college here, and others showed great interest in the work of the departments of physics, chemistry, music and speech.

Registrar D. A. Shirley visited Deaf Smith County, Judge Kerr of Hereford joining him and going with him to Castro county where additional work was done. Dr. Albert Barnett visited Briscoe county; Professor T. M. Moore went to Alameda, Groom, Conway and McLean.

Professor Savage spent his time in Hale county, and Professor C. A. Murray went to Ford and Knox counties where he once taught. He was accompanied by A. P. Bralley. Lee Johnson and Supt. Irby Ca-ruth spent the day in Parmer county, where they interviewed graduates of as many schools as they could reach.

Professor L. S. Baker went to Lamb county, spending most of his time in the vicinity of Olton and Littlefield.

Dr. B. F. Fronabarger went to Hardeman and Wilbarger counties. Panhandle, White Deer and

Pampa were visited by Assistant Coach Mitchell Jones and Professor Herschel Jennings.

Professor Dufflet spent all of Monday in Amarillo interviewing graduates of the Junior College and other prospective students by telephone.

Professor S. H. Condon spent his time with high school graduates and others at Lelia, Hedley, Clarendon, and Goodnight.

All those who made the trips were convinced that such visits are very valuable to the college, as many people have no idea how reasonable expenses are in Canyon. They found much demand for light housekeeping accommodations, and surprise that board in dormitories and private homes could be secured for so little money. When trips were discussed it was suggested that people in Canyon could do a great deal to inform their friends elsewhere of the advantages of the college, and of the easy payment plans which have been devised to enable students to continue in school.

## Milk Ordinance to Be Passed by City on September 4th

The City Commission will pass a milk ordinance at the regular monthly meeting September 4th, according to a decision reached Tuesday night at a called meeting of the commission.

State Inspector Hargis, together with Amarillo Inspector Dodson, met with the commission and explained in detail the handling of the milk ordinance.

After passage of the ordinance all persons who sell milk in Canyon must meet the requirements of the ordinance.

## Miss Miltia Hill to be Supervisor of Randall Hall

Randall Hall will begin its history as a co-operative home for girls with Miss Miltia Hill as its matron. Miss Hill was chosen by President Hill for this position because of her extended experience with girls and her ability to make the place a genuine home for those who will live within its walls. Miss Hill will be entirely satisfactory to parents whose daughters will make Randall Hall their home while attending college.

Miss Hill has been a member of the Art faculty of the College for several years. She is a graduate of C. I. A. at Denton and of Columbia University, New York.

After a short vacation, she will return to Canyon about September 10th to begin her duties at the Hall.

A large number of reservations have already been made for rooms at Randall; it will house girls who could not otherwise come to college. The rate has been temporarily set at \$13.00 per girl per month, with the provision that \$6.00 of this amount may be paid in approved produce which the girls may bring from home.

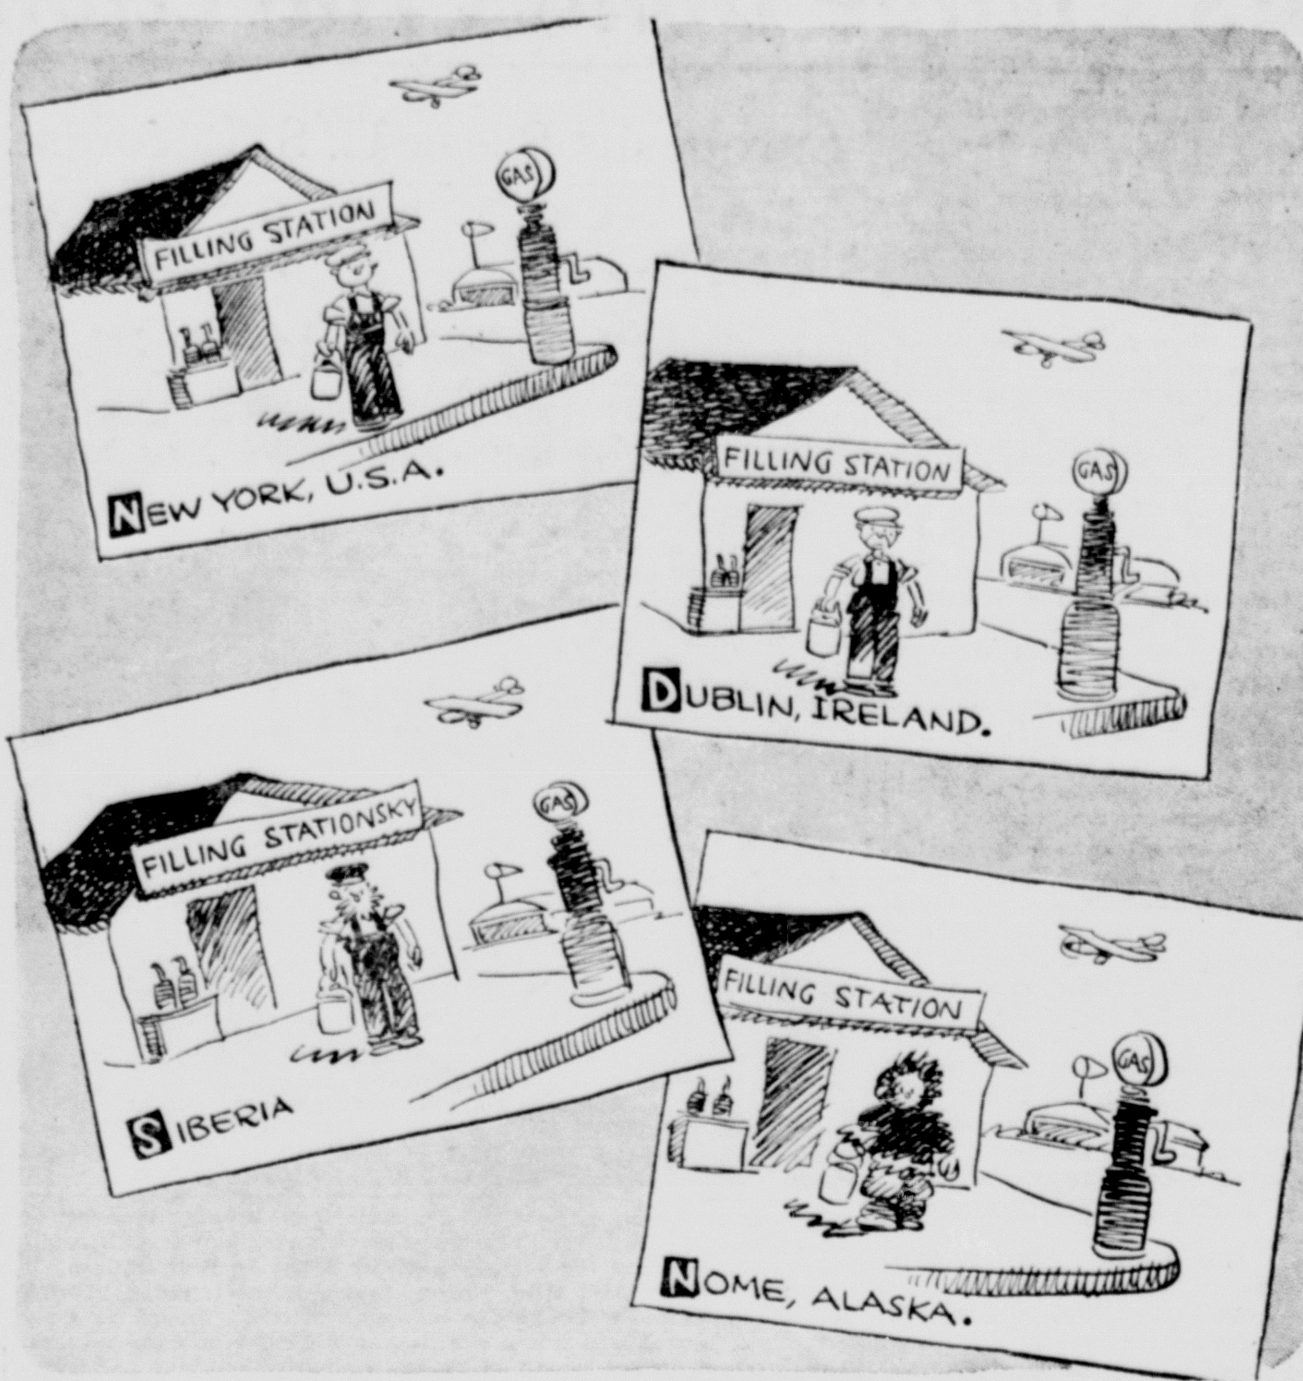

### STORK SPECIAL

## Fall Examinations Primary Children T. P. A. Assists

Next Monday and Tuesday mornings, Sept. 28-29, at 8:30 to 10:00 a. m., the free clinic for pre-school children will be held in the elementary school building. Mrs. C. E. Strain, principal of the grade school, and Mrs. William Robinson, president of the local Parent-Teacher Association, announce that final preparation has been made with local doctors and dentists to receive the mothers and their children on the dates mentioned.

The clinic is held for the examination of all children who are six years of age and plan to enter school during the next session. It is an established fact that physical condition is a most important factor in a child's life. Many a child is seriously handicapped in his or her school work when the real causes are unknown to the parents.

Such an examination as is being planned will offer opportunity for defects to be found and remedial treatment begun before school begins. There is great need for such remedial treatment. The pre-school period is a crucial time for the child. Many of the ills of later childhood, adolescence, and adult life have their beginning in the interval between infancy and school age. Thousands of children have defective vision, hearing, and other defects, many of which can be cured or relieved by early treatment.

The data gathered by the examination will be used by the school authorities in planning the child's school work. They have found such information to be invaluable in solving the various problems that arise and in promoting the welfare of the individual.

The Parent-Teacher Association of the public schools is sponsoring this move, and the following women will assist in the work: Mesdames Andy Walsh, C. L. Thompson, C. E. Strain, Alfred Bellah, T. W. Collins, Hud Prichard, J. H. Lisle, L. A. Donnell, Mac Stewart, Grady Oldham, W. T. Davis, C. R. Flesher, A. W. Sternberg, W. H. Stroud, Harvey Cash, J. E. Greenfield, Ed Phillips, Joe Black, Carl Laughery, Burt Newlin, and William Robinson.

All mothers who need transportation will call Mrs. Hud Prichard, chairman of the transportation committee.

## Canyon Schools

(Continued from page one) charge of the private music department and expects to continue with the large classes that she has had for the last three years. Mrs. Foster will also be at the high school during enrollment.

Mr. Sanders will take the place in the grades that was filled by the Cadet teachers from the college last year. Mr. Sanders comes from the Slaton High School where he has taught history, conducted the Boy Scouts, and assisted in the coaching of athletics for the past three years.

Gwendolyn Black, a local girl and

graduate of the West Texas State Teachers College, will teach in the third grade.

Parents are urged to discuss the prospective courses with their children and help them to decide what courses they shall take. Especially is this so of those courses requiring small laboratory or maintenance fees. Attention should also be called to the fact that the State does not furnish text books in all of the courses listed. These and other facts should be considered by the family of the pupils before he or she enrolls.

The Superintendent's office will be open to students next week, who desire a conference relative to their work before school begins.

## Wheat Plan

(Continued from page one) affairs of the county wheat considerable responsibility in the trol association. They will assess the allotment fund for the county with the amount necessary to carry on the affairs of the county organization. They will also set the amount of compensation for the community committeemen, and the allotment committee. The board members themselves will serve without pay, except such expense as may be incurred in the work. The cost of administration in each county will be deducted from the allotment of the county. The cost in Randall county should be a very small percent of the total allotment, since the total amount is about \$290,000.00.

A county-wide organization committee will be asked to meet some time the coming week to discuss
